10 SEASONS OF SWARM

The Greensboro Swarm have proudly represented and served Greensboro and the Triad since its inaugural campaign in 2016-17. This season, the organization will host a season-long celebration for its 10th anniversary season.

As part of the commemoration, the Swarm unveiled a special 10th Anniversary logo celebrating a decade in the Triad. The design features the bold "10" as its centerpiece, with an "Anniversary" ribbon layered behind the iconic hornet stinger. The logo uses the signature teal, purple and cool gray colors that are prominent in Swarm and Hornets branding, symbolizing the team's history from 2016 to 2025.

On the Court

Playing its first contest on November 12, 2016, against the Fort Wayne Mad Ants (Noblesville Boom), the Swarm have served as a key cog in igniting NBA careers within the Charlotte Hornets organization and the NBA as a whole.

Across the organization's nine seasons, the Charlotte Hornets have utilized its model in Greensboro to berth success throughout every piece of the organization.

These success stories have been intertwined from the onset, as its first assignment from the Hornets, Christian Wood, went on to become one of the G League's biggest success stories of the decade, amassing 339 NBA games (140 starts) in eight seasons, including a fourth-place finish in the 2020 Rookie of the Year Award with the Detriot Pistons.

That joint commitment in player development continues today, with players, including Tidjane Salaün and Moussa Diabaté, earning stripes on assignment, and two-way guard KJ Simpson, along with fellow Swarm players, helping push the Hornets to an NBA Summer League Championship in July.

Under head coach DJ Bakker, ***the Swarm reached new heights in the 2024-25 season***, earning their first playoff appearance with a 20-14 regular-season record and a 31-19 overall mark — a 12-game improvement that marked the largest year-to-year jump in franchise history.

SWARM IN THE COMMUNITY

As it celebrates its historic 10th anniversary season in Greensboro, the Swarm has become deeply woven into the fabric of the community, uplifting youth, supporting families and creating opportunities across the Triad.

In August, the Swarm received the Kathiann Lester Accelerate Award, presented by the Greensboro Chamber of Commerce at its annual State of Our Community event.

This distinguished honor recognizes a business or organization that demonstrates a strong commitment to both economic growth and community impact. The award specifically celebrates leadership that invests in the region's economic vitality through programs and initiatives that expand opportunities for individuals, families and businesses.

As the Swarm celebrates its 10th Anniversary, the season will highlight a decade of growth, impact and community. It will reflect on the organization's journey and honor the individuals, fans and partners who made it possible, while looking ahead to an even stronger future.

SWARM IN THE COMMUNITY

The Greensboro Swarm have forged a history of creating pathways and providing opportunities for others, both on and off the court. We strive to develop the community leaders of today and tomorrow through our programming, annually serving thousands of students and members in Guilford County.

ACADEMY SPORTS
HOLIDAY SHOPPING SPREE

An Annual Event, in Partnership with Academy Sports and YMCA

The Greensboro Swarm have teamed up with Academy Sports + Outdoors and the YMCA of Greensboro for six seasons to host its Holiday Shopping Spree. This special in-store shopping event pairs Swarm players with under-resourced youth and their families, helping them shop and select items to make their holiday season brighter.

FROM COURT TO CLASSROOM: ROOKIE VET PROGRAM

The Swarm introduced its Rookie Vet Program, in partnership with Beyond Sports and Washington Elementary School, during its 2024-25 season. The campaign paired six students with Swarm players for mentorship and leadership development.

The NBA G League

The NBA G League is the NBA's official minor league, preparing players, coaches, officials, trainers and front-office staff for the NBA while acting as the league's research and development laboratory. The league offers elite professional basketball at an affordable price in a fun, family-friendly atmosphere. The 2025-26 NBA G League season is the league's 25th season and features an expanded playoff field and 31 teams, 30 of which are affiliated with an NBA team.

2025-26 Schedule Format:

For its fifth season, the NBA G League schedule will be divided into two parts: its 14-game Tip-Off Tournament, followed by a 36-game regular season. All 31 NBA G League teams will compete in at least 50 games during the 2025-26 season.

The **Tip-Off Tournament**, which marks the start of the 2025-26 season, begins on Friday, Nov. 7 and culminates when a champion is crowned during the **2025 NBA G League Winter Showcase** in December. For the Tip-Off Tournament, teams are placed into four regions to play 14 games exclusively against each other. The teams with the best winning percentage in each region, along with the next four teams with the best winning percentages regardless of region, will advance to compete for the Championship at the NBA G League Winter Showcase. Every team will play at least two games at the Winter Showcase.

Following the Tip-Off Tournament, team records will reset before the **36-game regular season**, which begins at the Winter Showcase. At the conclusion of the regular season, for the first time the top eight teams in each conference will qualify for the NBA G League Playoffs, which conclude with the **NBA G League Finals** in April 2026.

Alumni In The NBA:
A record 51 percent of players on NBA start-of-season rosters for 2024-25 had NBA G League experience, up from 47 percent on rosters the previous season. With big names such as Pascal Siakam, Rudy Gobert, Alex Caruso and Jordan Poole leading the way, every NBA team has at least one NBA G League alumni playing with them this past season.

Roster Construction

Two-Way Contracts:
Beginning in the 2017 offseason, NBA rosters expanded from 15 to 17 players with the addition of two spots for players under "Two-Way Contracts." For the 2025-26 season, each NBA team is permitted to have up to three players under Two-Way Contracts on its roster at any time (in addition to the maximum 15 players under Standard NBA Contracts).

NBA teams may have up to three players under NBA Two-Way Contracts who may be active for up to 50 games with their NBA team. Players signed to Two-Way Contracts are paid one salary for their time in both leagues. Only players with three or fewer years of NBA service are able to sign Two-Way Contracts, which can be for either one or two seasons.

NBA Assignees:
NBA teams can assign players with three years of service or less an unlimited number of times.

Returning Players:
Teams hold the rights to any player who has played for them within the last two seasons, as long as they have not released that player.

Affiliate Players:
From September to October, NBA teams trim their rosters from a maximum of 20 players invited to training camp to 15 on opening night. The "affiliate player rule" allows them to retain up to four of the players that they waive, while an additional three roster spots are now available for two-way contracts.

Players designated by an NBA team as affiliate players are automatically allocated to that team's NBA G League affiliate if they choose to sign an NBA G League contract. Affiliate players remain free agents available for any of the 30 NBA teams to sign.

Tryout Players:
NBA G League teams hold tryouts during each offseason, inviting some players to participate for free while attracting locals who pay a small fee. The teams can invite up to three players to their training camps.

A few dozen tryout players each year make their way onto training camp rosters, and many have even made it into game action and beyond. Standouts have included NBA Champion Jonathan Simmons (Austin Spurs), David Nwaba (South Bay Lakers) and Craig Randall II (Long Island Nets).

NBA G League Draft Picks:
Every fall, more than 200 players are signed by the league office and placed in the NBA G League Draft. About half of them are selected on Draft day, which features a field of NBA and NBA G League vets, international pros, undrafted rookies and NBA G League National Tryout players.

Free Agents/Waiver Claims:
The NBA G League rosters you see every fall are typically unrecognizable by wintertime. That's because the league is infused with talent throughout the season as players returning from stints overseas/NBA veterans working their way back into the league enter the player pool.

NBA G League teams can place claims on the newly available players through a rotation waiver system.

COLE TEAL

GENERAL MANAGER
Fifth Season with Swam
(Third as General Manager)

GM

Teal enters his fifth season with the Greensboro Swarm and his third as General Manager, after previously serving as Manager of Basketball Operations & Player Development and as a Basketball Operations Assistant with the franchise.

Across his first two seasons as General Manager, Teal guided the Swarm to steady improvement, culminating in the franchise's first playoff berth during the 2024–25 season. Greensboro posted a 20–14 regular-season record to finish fourth in the conference and an overall mark of 31–19, tied for the fourth-best record in the NBA G League, including an 11–5 showing during the Showcase Cup. Despite limited availability from Hornets assignees, the Swarm's success was driven largely by affiliate players and G League contract additions.

Building through affiliate players and G League contracts, the 2024–25 Swarm roster featured former NBA G League champions Keyontae Johnson and Caleb McConnell (Oklahoma City Blue, 2023–24), while retaining core contributors Jaylen Sims, Marcus Garrett, M.J. Walker and Terrell Brown Jr. The team also made a notable in-season addition in forward Reggie Perry from the Osceola Magic.

The season matched the largest single-season win improvement in franchise history and represented the second-largest improvement across the league. Individually, Sims became the franchise's all-time leading scorer on Feb. 21, 2025, against the Mexico City Capitanes.

Teal joined the Swarm after serving as a Basketball Operations Associate with the Delaware Blue Coats and the Windy City Bulls. During his time in Delaware, he contributed to the development of Haywood Highsmith, supporting his growth from a local tryout participant into an NBA rotation player. With Windy City, Teal was part of a basketball operations group that helped support player development pathways leading to NBA opportunities, including guard Max Strus. Additional players Teal has worked with during his career who have gone on to NBA roles include Daniel Gafford, Jarred Vanderbilt, Mark Williams and Shake Milton.

Players Teal has worked with have also gone on to success internationally, including Jaron Blossomgame, Milton Doyle, P.J. Dozier and Keenan Evans. Windy City alumnus Adam Mokoka has represented France in FIBA competition, while former Swarm guard Théo Maledon has reestablished himself as one of Europe's top point guards, earning All-EuroLeague Second Team honors with ASVEL before signing with Real Madrid.

A graduate of Williams College, Teal earned a bachelor's degree in psychology and was a four-year member of the men's basketball program, starting on the 2017 NCAA Division III Final Four team. He has also served as support staff for USA Basketball at the Junior National Team, AmeriCup, World Cup Qualifier, and World Cup levels. Teal began his professional career with internships at Fenway Sports Management and the Houston Rockets.

DJ BAKKER

HEAD COACH

Second Season with Swarm

HC

DJ Bakker is set to return to the helm for his second season as head coach of the Greensboro Swarm while serving as an assistant coach under Charles Lee for the Charlotte Hornets.

In his debut season in Greensboro, Bakker transformed the Swarm into a contender, guiding the team to a 20-14 regular-season record and its first-ever playoff berth.

The team's momentum started before the regular season with a dominant run in the Tip-Off Tournament, where it strung together eight straight wins and finished 11-5. The effort rolled into the season, winning five of its opening six contests, and after opening 8-7, winning nine of its next 11 games to position itself for postseason play.

Bakker, the fourth head coach in franchise history, is a decorated veteran with 11 years of NBA coaching experience. Prior to his time in Greensboro, Bakker most recently served as an assistant coach for the Milwaukee Bucks (2023-24).

He spent five seasons (2018-23) with the Detroit Pistons, beginning as a player development coach before being promoted to an assistant coach. He served as the head coach of the Motor City Cruise, Detroit's NBA G League affiliate, beginning in their inaugural 2021-22 season, accumulating a 39-25 (.609) record over two years.

Bakker's NBA coaching experience includes player development roles with the Dallas Mavericks (2015-16) and Toronto Raptors (2016-18). During his time in Toronto, Bakker worked on development programs for Pascal Siakam, Fred VanVleet and Norman Powell.

Bakker spent one season (2013-14) as a regional advance scout for the Orlando Magic, and he began his NBA career in 2009-10 as a video coordinator with the Chicago Bulls. In addition to his NBA experience, Bakker also worked as a player development coach for three years under renowned trainer Tim Grover at ATTACK Athletics in Chicago.

A native of Highland, Indiana, Bakker played basketball at Trinity Christian College, where he earned a degree in business administration. He and his wife, Laura, have three children – Chasity, Kinsley and Benson.
